ELIGIBLE LIST FOR POSTMASTER

FRED HULL, FRED FRENCH AND HARRY LYLE ON LIST

AN APPOINTMENT SOON

Generally Conceded Editor Hull Will Land the Position—Change May Be Made Feb. 1

According to a dispatch from Washington, the eligibles for the Maryville postmastership are Editor Fred Hull, Frederick H. French and Harry H. Lyle. One of these three men will be appointed as postmaster here. It is likely the appointment will be made either today or within the next few days.

It is generally conceded the appointment will go to Editor Hull. He has the endorsement of Congressman Charles L. Faust as well as several other prominent Republicans in the state.

Five men applied for the postmastership of Maryville at a civil service examination held on September 12, 1922. In addition to those on the eligible, the other two applicants were H. Wilfred White and George W. Bedford. While this civil service examination was not in the nature of an examination, being more in a form of making out an application giving what business they have been in and are now engaged in, their educational records, etc. Later a number of the business men received letters from the civil service commission to give their opinion. Then the commission graded each application and took in consideration the endorsements as sent in by the business men of the city.

The term of the present postmaster, James Todd, expired last September 5. Due to the fact the civil service commission was behind in their work, having so many examinations to hold and also so many papers to go over, it could not get to the Maryville papers until recently.

If an appointment is made soon, it is likely the new postmaster will take his office on February 1. The appointment has to be confirmed by the senate and also other papers such as a bond to be made out before the new man can take his office.

DEBATE AND BASKETBALL GAME FOR TOMORROW NIGHT

High School Debate Starts at 7 O'Clock and Gymnasium Doors not Opened Till After Debate

A debate will be held tomorrow night at the High School auditorium between the Maryville and Graham debating teams. The subject to be discussed will be: Resolved, That the United States Government Should Own and Operate the Coal Mines. The Maryville team, composed of Louise Peery and Richard Baker, will take the affirmative side. The visitors will take the negative. The debate will start at 7:00 o'clock sharp. The admission will be twenty cents for outsiders, and ten cents for students. The money taken in will be used to defray expenses.

Mr. Ziegler is anxious for a crowd to attend the debate. Debates are school activities, just as much as athletics, and should be attended by as many people as go to football or basketball games. The public should be just as interested in contests between brain, as in contests between skill and brawn. The gymnasium will not be opened until after the debate, so that everybody will have a chance to attend both the debate and the game. The game tomorrow will be with St. Joseph Benton.

LYNCHING FEARED AT TRENTON 4 MEN TAKEN TO KANSAS CITY

Men Charged with Death Assault on Guy Cornwell, Railroad Shopmen Rushed to Kansas City

Kansas City, Jan. 18—Four striking railroad shopmen charged with participation in the assault and death of Guy Cornwell, of Trenton last week, were rushed here early today to prevent lynching and were placed in the county jail. Cornwell, a shopman for the Rock Island at Trenton, was beaten to death last week as he was returning from his work.

Following his death there has been a series of disturbances and considerable feeling has been manifested at Trenton. The Trenton men in the county jail here are: Guy Riles, William Allardice, Charles Peterson and Homer Stanter.

B. B. TOURNEY TO BE HELD MAR. 16-17

PLANS FOR DISTRICT CONTESTS ANNOUNCED BY LAMKIN

A NEW STATE TOURNEY

Winners of Each Tournament in Teachers Colleges Districts to Play for State Honors

The boys' basketball tournament for the high schools of this district will be held at and under the auspicies of the State Teachers College March 16 and 17. This announcement was made this morning by Pres. Uel W. Lamkin of the College. The tournament will follow very largely the plan of last year and the year previous. The schools will play in an elimination for the championship.

However an added feature will be had this year. The winner of the tournament at the College will be allowed to play in a state tournament for the championship of Missouri.

An agreement has been made by the presidents of the teachers colleges at Maryville, Springfield, Warrensburg and Cape Girardeau, whereby the winners of the tournaments held at these colleges will meet in a tourney for the championship of the state. The president of the Kirksville State Teachers College did not approve of the plan so the agreement was made between the other state teachers colleges with the provision that in the future Kirksville could enter the winning team in the state tourney.

In order that there will be no conflict it will be necessary for high schools to enter the sectional tournaments at the teachers college in whose district they are. In the past some high schools have gone to the wrong tournament but this will not be possible under the new ruling.

The formation of the idea of a state tourney will create additional interest in high school basketball in the state in that instead of making the winning of the sectional tourney their goal the schools will look forward to participating in the state tourney.

This tournament will be held this year in Warrensburg and will be held on April 7. This date will give the winning teams almost a month after their district tournament to prepare for the meeting with the other winners. The place of holding the state tournament will be rotated among the Teacher College towns each year.

WILL DANCE HERE BY RADIO MUSIC FROM K. C. NIGHTHAWKS

A radio dance will be given at the W. O. W. Hall tomorrow night by the newly organized Chevalliers Dancing Club. This will be the first dance of this kind to be given. Music will be furnished until 11:45 o'clock by the DeLuxe Novelty Orchestra and at that time the dancers will be furnished with the Night Hawk Music which is broadcast from Kansas City each night from the Hotel Muelbach by the Kansas City Star.

The Brumbaugh-Lloyd Radio Co., will install a large receiving set in the dance hall and if the night is good the music will come through a Magnavox almost as loudly as though the famous Night Hawk orchestra were in the room.

Mrs. Flora J. Quinn has sold her property on West Jenkins street to William Hopping of Nebraska and intends to go to Greeley, Colo., some time in the near future. Carl Wiles will occupy the house sold by Mrs. Quinn.

NAME NEW HEAD OF COMMERCIAL DEPT.

CHEYENNE, WYO. MAN TO SUCCEED E. W. ATKINSON

WAS A HARVARD STUDENT

R. J. Worley, A Graduate of Illinois State Normal and Post-Graduate Harvard Student

R. J. Worley of Cheyenne, Wyo., has been selected to fill the vacancy in the State Teachers College faculty, caused by the resignation of E. W. Atkinson, who will leave Saturday for Pittsburgh, Pa., where he will take up the supervision of the commercial work in the high schools of that city.

Mr. Worley is a graduate of the Illinois State Normal University at Carbondale, Ill., has received his A. B. from the State Teachers College in Greeley, Colo., and has done post graduate work in the school of business administration at Harvard University.

Besides this he has had three years of teaching experience. One year he did high school work and for two years he taught in the department of commerce at the teachers college in Greeley.

For the past three years Mr. Worley has been doing certified public accounting in the state of Wyoming.

He will arrive in Maryville Monday and will take up his duties as head of the commerce department at the State Teachers College immediately.

LOTA CLAIRE LANDFATHER IS NAMED AS THE ANNUAL QUEEN

Seniors Won Contest and Their Choice Became Queen—Football Letters Awarded at M. H. S. Today.

Lota Claire Landfather was selected today as the Annual Queen for the High School's year book, the "Maryvillian." The outcome of the Annual Queen Contest was announced at the assembly this morning. The Seniors won the contest with a lead of 45. Each class held a meeting yesterday evening to choose the queen, in case their class won the contest. The seniors chose Lota Claire Landfather, and since they won the contest, she is the queen. The juniors chose Dorothy Dow, the sophomores chose Lucile Gaugh, and the freshmen chose Ruth Bush.

The assembly was held at the high school this morning, for the purpose of awarding football letters. Letters were awarded to the first squad; and numerals were awarded to the men who came out all season and played with the scrubs. The following men received letters: O'Banion, captain; Ogden, captain elect; Willoughby, Masters, Chick, Fannon, Carstens, Jones, Mountjoy, Bush, Epperson, Curfman, Hartman Roelofson, Phipps, H. Miller. Those receiving numerals were: I. Miller, Herndon, Dow, Holt, Caudell, R. Westfall, B. Wright, R. Curfman and Millroy.

Printed schedules of both the college and high school basketball games were given to all of the students. These schedules were given to the school by Mr. Harvey Haines.

SPLIT IN M. I. A. A. WILL HURT STATE DENOMINATIONAL SCHOOL

Heads of Missouri Teacher Colleges Believe Withdrawing Schools are Hurting Themselves by Withdrawal

In regard to the split of the denominational colleges of the state from the Missouri Intercollegiate Athletic Association the presidents of the State Teachers Colleges of the state in a meeting held at the Hotel Statler in St. Louis Monday, agreed to uphold the M. I. A. A. Instead of looking upon the split as hurting the teachers colleges the presidents looked upon it as a handicape to the colleges that withdrew.

A resolution was made that in the future if colleges wished to become affiliated with the M. I. A. A. that the teachers colleges would look with favor upon their admission providing that the schools seeking admission come up to the educational standards set by the State Teachers Colleges.

President Lamkin of the State Teachers College was present at the meeting.

Volley Ball Tonight

The business men volley ball class will meet this evening at the State Teachers College.

KNIGHTS OF K. K. K. PLAN BIG PARADE AT WACO, TEX. TONIGHT

Two Special Trains Expect to Carry 800 Knights from Fort Worth For Demonstration

Fort Worth, Texas, Jan. 18—A demonstration by the Knights of the Ku Klux Klan will be held in Waco tonight at 9 o'clock to be attended by members from all sections of the state, it was learned here today. Two trains have been chartered to carry the knights from the Fort Worth Klan and they expect to have at least 800 in the line of march.

At the last demonstration of the Klan in McLellan County, one person was killed and several injured including the sheriff. The reason for tonight's demonstration is unknown except that Waco has never seen a Klan parade and it may be to show their strength there. However Waco is known to be a stronghold for the Klan.

FARM BLOC FORMED AT STATE CAPITAL

SIXTY-ONE MEMBERS JOIN ORGANIZATION THERE TODAY.

CHAMP CLARK MONUMENT

Resolution Submitted by Hostetter to Appropriate $25,000 and Erect It at Bowling Green.

Jefferson City, Jan. 18.—A farm bloc of sixty-one members was organized in the House today to work for an agricultural program. Representative Carey of Carroll County, Republican, was elected president and Representative Bell of Rawls County, Democrat, was chosen secretary. The officials said that invitations had been extended to others to join the organization.

Senator Proctor's concurrent resolution asking for an investigation of the Kansas City school board was not called up today, but will likely come up tomorrow. Proctor said that a conference would probably be held some time during the day with Senator Casey and himself with president pro tem, W. R. Painter, in reference to the number and personnel of the committee for investigation. Proctor said further that his resolution would be taken up in the Senate Friday.

Hostetter of Pike County, introduced a resolution asking for an appropriation of $25,000 for a monument to be erected to the memory of Champ Clark at Bowling Green. It provides for a committee of three members to be appointed by the governor to supervise the erection of the monument for the late speaker. Hostetter said that its enactment would meet with the approval of all of the people in his section regardless of party lines. He paid a high tribute to Champ Clark as a great Missourian, whose distinguished services and record Missouri is proud of.

HIGH SCHOOL GRADUATES GIVEN PRESENTS BY KUCHS BROTHERS.

Members of the mid-year graduating class of the Maryville High School were pleasantly surprised preceding the commencement exercises last night when informed that gifts for each member from Kuchs Brothers had been left in the office of L. E. Ziegler, superintendent. The gifts for the young women in the class were beaded vanities with gold cords and tassels and the young men received Robinson Reminders with their names embossed in gilt.

VICTORY IS SURE FOR THE FIGHTERS

IS DR. C. C. JAMES KEYNOTE IN COMMENCEMENT ADDRESS

GRADUATES MUST GO ON

If They Keep Trust of School and Citizens, Declares Dr. Keller in Awarding Diplomas

"He who fights well is always sure of victory," was the keynote of Dr. C. C. James advice to the High School graduates in his commencement address at the High School auditorium last night. "Nothing worth while in life today is secured without struggle," said Dr. James, "If you are to fill a place of service, it will be one continual struggle, struggle, struggle. There is no easy road to glory in men's lives. Nothing worth while may be secured in life except through the avenue of struggle."

A good crowd was present at the commencement exercises. As the class march was played the beginning senior class marched in a body to their seats and were followed by the graduating class, in caps and gowns, who took their places on the platform. The Rev. B. F. Cline gave the invocation and George Newman gave the valedictory address. L. L. St. Clair, principal presented the class to the school board for diplomas and Dr. Fred Keller accepted the class and awarded the diplomas in behalf of the school board. Supt. L. E. Ziegler in awarding the honors, announced that George Newman made a four year average of 90, with Lillian Hall a close second with an average of 89.81 and Bernice Orcutt a close third with an average of 89.21. Dr Keller in awarding the diplomas admonished the class that the diplomas, "should not be emblems upon which they may rest, or a guarantee of their success, but an emblem to encourage you to go on and give the best in your young lives. If this is not done," he continued, "You have failed to keep the trust that this school, this town and the citizens have placed in you."

Dr. James took as his subject, "Riches Won and Lost." He compared life to a bank and declared that upon the deposits made is decided whether or not the life will be made worth while. He summed up the most important deposits to be made as: importance of struggle, a well-kept body, good manners, cheerfulness and courtesy, promptness, willpower and tact. In speaking, Dr. James said in part:

"You must walk well, think well, live well, eat well and serve well. Your are not dealing in futures, but living in the present, hence the necessity of promptness."

"There are three classes of people, those who say, I will, those who say, I won't and those who say, I can't. The first class achieve, the second, obstruct and the third fail. The world is always ready to follow the person who wills in achievement and service."

"There is just one more thing needed to these deposits and that is the touch of God that makes for the largest and greatest service. I wish you great success in your journey of life, but you must keep in mind that the world in which you will live demands service."

The members of the class who received their diplomas last night are: Misses Ethel Mae Wallace, Lillian F. Hall, Catherine Harrison, Alma Marie Appleby, Grace A. Dietz, Bernice L. Orcutt, Lula May Massie, Treva Elizabeth Phipps, Vira Mae Fitz, Thelma Mae Hunter, Juvernia Majel Goff, and Glen B. Trullinger, George H. Newman and W. Conrad Blackman.

FOILED TRAIN BANDIT SHOT; NOW IN HOSPITAL AT K. C.

E. J. Turpin of Monett, Mo., Was Shot and Captured Last Night When Attempting a Hold-up

Kansas City, Jan. 18—Shot twice through the left arm, E. J. Turpin of Monett, Mo., is in the general hospital today following a battle last night with the mail crew of the "Colorado and Oklahoma Express," on the Santa Fe road near Lawrence Kansas last night when he attempted to rob the mail coach. Turpin boarded the train at Lawrence and a short time later attempted the hold-up. He met a game bunch of mail clerks however, who turned upon him, shot him bound him with rope and turned him over to the police.

EVERY MAN ARMED BUT TOWN QUIET

OFFICIALS BELIEVE HARRISON, ARK., TROUBLE ENDED.

1500 CITIZEN ARMY

Union Men Have Fled Community—Fifty Representives of "Citizen Court" Guard Square.

Harrison, Ark., Jan. 18—Under the shadow of a thousand rifles, pistols, shotguns, and a weapon on every shoulder and every hip, Crooked Creek runs quietly through here today. The citizens' army of 1500 farmers, stockmen, merchants, doctors and lawyers, which swooped down on Harrison, division point on the Missouri and North Arkansas Railroad, the only road which serves the 200,000 residents of this Ozark Valley, have disbanded.

The five hundred odd union men, who struck and the thousand sympathizers along the towns on the 356 miles of the roads right-of-way, have fled the community. But this Ozark Valley is resting on its arms. In Harrison, Greenport, Eureka Springs and other mountain towns, every man is armed—a rifle across his shoulder or a gun strapped on his hip. Fifty representatives of the "citizens' committee," stand about the public square here. The minute men of the vigilence committee await orders from the citizens' court. The committee is composed of twelve men, three from each of the four counties in the district. It continued its investigations today.

"It is not the purpose of the court to punish," they announced today. "But its duty is to investigate and capture the union men, who burned bridges and put acid in the engine boilers. After gathering this evidence, we turn the prisoners over to the circuit court."

The citizens and officials believe that the trouble is ended, but say that no matter what the personal cost, the line will be kept in operation.

CHANGE OF VENUE FOR MRS. KNOX DISAPPROVED BY DEFENSE

Beaumont, Texas, Jan. 18.—Any attempt to obtain a change of venue in the case of Mrs. William Knox, charged with the murder of her husband, Hiram Knox, wealthy lumberman at their Hemphill home, will be contested by the defense. This announcement was made by Steve M. King, chief defense lawyer for Mrs. Knox.

"We shall use every effort to hold the trial here," he said today. Mrs. Knox was recently held for grand jury investigation, which meets in March. She is at liberty now on a bond of $5,000 fixed at the habeas corpus proceedings to obtain her release.

TEACHERS COLLEGE BEARCATS LEAVE TOMORROW MORNING

The State Teachers College Bearcats will leave tomorrow morning for Kirksville, where they will play basketball with the Kirksville Teachers tomorrow night. Saturday they will go to Canton for a game with Culver-Stockton that night.

Coach Maynor has not yet decided who will make the trip nor the number of players that he will take with him.

The team will leave Maryville in automobiles for Pattonsburg, where they will take a train for Kirksville.

FRENCH WANT MORE TROOPS IN RUHR

OFFICERS WANT 25,000 TO ADD TO 50,000 THERE.

COAL BARGES ARE SEIZED

French Decided to Requisition 15,000 Tons of Coal and Coke Already Mined.

Essen, Jan. 18—The French military authorities today seized the barges at Ruhrort and Duisburg, and barges and boats have been requisitioned to carry coal and coke supplies to the allies. The French decided to requisition coal and coke already mined and the work of taking over ships to transport it to France and Belgium is underway today.

There is 15,000 tons of coal and coke in all. French officers have routed to France 597 tons of coal and 581 tons of Ruhr coke.

French officers say that the number of troops they have here now is insufficient and that it will be necessary to have more to carry out their plans and avoid trouble. Fifty thousand troops are on hand now. The officers have estimated that about 25,000 more are necessary. M. Coste, French director of operations and coal expert of the French ministry of public works, made a definite statement to an International News correspondent today that the French did not plan to confiscate German porperty.

DEBT FUNDING CONFERENCE ADJOURNS WITH AGREEMENT

However Progress Has Been Made in Mutual Understanding Towards British Debt Payment

Washington, Jan. 18—Official announcement was made at the treasury department today that after long sessions of the British and American debt funding commissions, that they had found it impossible to reach an agreement for the payment of the 5 billion dollar debt owed to the United States. The American commission made this formal statement this afternoon:

"The two commissions have given long and serious consideration to problems in funding the debt. Proposals have been made tending towards a mutual understanding and the discussions have now reached the point where the British government desires the chancellor of exchequer return to England for consultation."

"The discussions have therefore been adjourned and the chancellor will sail for England on the 20th inst."

CHURCH LEADER IDENTIFIED AS HOODED MOB MEMBER

Bastrop, Jan. 18—A sensation was sprung at the openhearing here today when E. N. Gray, church leader and wealthy farmer, was identified as a member of the hooded mob which kidnapped five Mer Rouge citizens last August. The identification was made from the witness stand by Fred C. Ewbanks, a Cowlinson farmer.

THREE KILLED WHEN NEW SEWER CAVES IN AT DETROIT TODAY

Detroit, Jan. 18—Three men were killed and seven injured here today when a sewer caved in. Another man is still buried and is believed to be dead. All the dead are foreigners. The accident was caused when the ground over the heads of the workmen caved in as they were working on the new sewer.

TRIAL OF ST. JOE BOY BANDITS GOES TO THE JURY THERE TODAY.

St. Joseph, Jan. 18.—The fate of Alvin Clark and William Kramer, youthful bandits, charged with the wrecking of the fast passenger Burlington train near here on December 12, went to the jury this afternoon. The boys, who are charged with the wreck, repudiated the confessions, alleged to have been made to the police following their arrest, that they wrecked the train with the intentions of robbing the mail car.

KILLS GIRL THEN SHOOTS SELF FOLLOWING PROPOSAL REFUSAL.

os Angeles, Jan. 18.—Because she refused to marry him, L. W. Mackerman shot and killed Miss Florence Hopkinson in her apartment here and then turned the gun on himself and inflicted wounds, that physicians say will cause his death.

ATKINSON SPEAKS BEFORE C. C. CLUB

IN FINAL TALK BEFORE GOING TO PITTSBURGH POSITION

VOTE IN 7 NEW MEMBERS

Luncheon of Club Held Last Night in Dining Room of Girls' Residence Hall

E. W. Atkinson, head of the commercial department of the College and sponsor of the College Commerce Club gave his last talk last night at the meeting of the club at their luncheon in the dining room of the Girls' Residence Hall. Mr. Atkinson leaves Saturday for Pittsburgh, where he has taken a position in the schools there.

Seven new members were taken into the club last night. They are E. W. Miller, C. T. Partch, W. F. Williamson, Robert Barber, Raymond Harrington, Hal England and Ermil Coler. The club also voted to observe January 31 as "Hobo Day" at the College and to sponsor it for the entire student body. Wm. Drummond, president of club, presided at least night's meeting. Frank Pixler, a member spoke on "Preparation for Salesmanship."

"Whatever business you select, don't go into it blindly," Mr. Atkinson told the club members in his last talk. "I heard a prominent authority in Chicago a week or two ago, make this statment; you should 'ize' your business: analyze, organize, deputize, supervize, standardize, energize and capitalize. In these words you have successful management in a nut shell." A portion of Mr. Atkinson's address follows:

"No matter whether an individual is born in Asia, Africa, Europe, or America, or who his parents are, one thing is certain, when he is born his brain is a blank, as blank as a new wax phonograph record, waiting for impressions. The impressions we put on it is what counts. One record sells on the market for $5, another for 10 cents. What kind of a record are you making."

"Technically speaking, most men always remain mental blanks, or make cheap impressions. We can safely say, that most people use but one-tenth of their mental power. We make impressions on this blank brain, through mental development, technical knowledge, and experience. Success depends upon decisions, decisions upon judgment, and judgment upon information, training, and experience."

"Most of our leaders in the past received very little schooling. But that does not mean that they were not educated. They made a success in spite of their handicaps. What would any of them have given for such opportunities as you have before you today. 90 per cent of our leaders of tomorrow are found within the walls of our colleges of today. The other 10 per cent are the Edisons, the Fords, the Lincolns, but they are few and far between."

"Statistics show us that 5 per cent of the people, do the thinking, planning, and managing for the other 95 per cent. Inability of more people to reason lies in their mental laziness rather than in any lack of power. We also find that 75 per cent of all persons are not fit for the work they are engaged in. Last year 85 per cent of the business men failed, the result of inefficiency."

"Of course, a college education does not guarantee success. There has always been and always will be the "educated fools." Many out of college fail, because they have no purpose. Few men and women in college have a definite aim. Many think they can be "exposed" to a college, and "take" something which will make them a success. There is no such course. It isn't the amount of education you take, but how you use what you get, that counts. A college training, should however, give you greater advantage and opportunities."

"Ten million families in the United States have incomes of but $400 a year. 6 million have incomes of $600 per family, and in many cases the entire family work. Only 5 per cent of the men of the country earn over $3,000 a year. The U. S. Dept. of Education tells us that the average uneducated man who works steadily earns $500 a year, or $20,000 during his working period of 40 years. The average high school graduate earns $1,000 a year, or $40,000 for his 40 years. Thus we see, that for every day of his 12 years spent in school, he receives a cash dividend of $9.25, or $20,000 for the 40 years he will work. The college man averages $2,000 a year, or 100 per cent more than the high school graduate, giving him something like $40,000 extra dividends for his life work.

"Less than 4 per cent of the men of the country are high school graduates. Fifty per cent of the boys have been leaving school at the end of the sixth grade. Eighty per cent have been leaving at the end of the 8th grade. They are cutting down their opportunities for success, just that much. Out of two million children who enter the public schools each year, only 7½ per cent remain until they graduate from high school, and the majority of these are girls. Right here we have the great tragedy of our American education.

"A complete education for business, consists of at least five parts. English, general subjects, commercial subjects, technical subjects, and experience. Don't skip over such subjects as shorthand, which is absolutely equivalent to any two year's course in a foreign language, accounting, commercial law, public speaking, marketing, advertising, psychology, vocational guidance, penmanship and salesmanship, of which we have heard so much this evening.

"Speaking of salesmanship, which I believe to be one of the greatest professions of the day, I might state what I consider the twelve essential qualifications of a successful salesman, and if you have these qualities you will succeed, no matter what line you take up professionally. They are: Good character, personality, self-confidence, health, mentality, initiative, tact, resourcefulness, punctuality, industry, concentration and knowledge of your goods. Write these down somewhere and start out on their development tomorrow morning."

CLYDE PERKINS BARRED FROM BARBER SHOP CHAIRS

Demolished $300 Barber Chair in Jefferson City Just by Sitting in It

The St. Joseph News-Press had the following dispatch from Jefferson City about Clyde Perkins of Barnard:

Clyde Perkins, Nodaway County giant, weighing 480, clerk of the house committee on accounts, has been barred from barber shop chairs in Jefferson City. Hereafter he will have to use a safety or sit in an ordinary chair in a barber shop to receive tonsorial attention.

Tuesday afternoon Perkins was shaved in a shop. The chair stood the strain until he started to leave it, when it collapsed and was reduced to a pile of junk.

"We can't afford," the barbers say, "to risk smashing a $300 chair for a 25-cent shave."

With all his girth and superfluous weight, Perkins is one of the best legislative clerks employed by the general assembly and is keen mentally.

On account of the screen party of the Nodaway County school film tonight at the First Christian Church, the regular meeting of the James Edward Gray Post of the American Legion has been postponed from tonight until next Tuesday night.

Much Corn Being Marketed.

It is estimated that nearly one hundred thousand bushels of corn has already been marketed in Hopkins so far this winter and load after load is still coming, reminding old timers of forty years ago when the country was new and the land rich. As high as 63 cents is being paid for corn and most everybody thinks it will easily be worth a dollar before another crop is produced.—Hopkins Journal.

Mother-To-Be, Read This—
Here is a wonderful message to all expectant mothers. When the Little One arrives, you can have that moment more free from suffering than you have perhaps imagined. An eminent physician, expert in this science, has shown the way. It was he who first produced the great remedy, "Mother's Friend." Mrs. C. J. Hartman, Scranton, Pa., says:
"With my first two children I had a doctor and a nurse and then they had to use instruments, but with my last two children I used Mother's Friend and had only a nurse; we had no time to get a doctor because I wasn't very sick—only about ten or fifteen minutes.
Note: Write for valuable free illustrated book, "Motherhood and the Baby," containing important authoritative information which every expectant mother should have, and all about "Mother's Friend," to Bradfield Regulator Company, BA-23, Atlanta, Ga. "Mother's Friend" is sold by druggists everywhere.

Don't worry and complain about a bad back. Get rid of it. For weak kidneys, lame and achy backs, your neighbors recommend Doan's Kidney Pills. Ask your neighbor!

Mrs. R. Snyder, 1008 East Third St., Maryville, says: "My kidneys bothered me for some time and I had a dull pain through my back. I felt tired all the time and could not rest well at night. After using a few boxes of Doan's Kidney Pills the pains let up and the feeling of languor disappeared. My health improved generally." (Statement given October 2, 1912).

On March 31, 1920 Mrs. Snyder said: "Doan's Kidney Pills have cured me of kidney trouble for since I used them eight years ago I have had no return of the complaint." I wish to conform my former statement."

HISTORICAL SOCIETY LIBRARY BUYS RARE BOOK.

Columbia, Mo., Jan. 18.—The library of the Missouri State Historical Society, housed in the building of the library of the University of Missouri, has just obtained an interesting book, "The Boone Family," by Hazel A. Sparker, a decendant of the family. it is a genealogical history of the decendants of George and Mary Boone who came to America in 1717 from England, and a biographical sketch of Danial Boone. It also contains many bits of hitherto unpublished Kentucky history. Only four hundred copies of the book were printed.

FLAME OF LIFE
Begins To Wane Around Age 40—How Middle-Aged People Should Care for Their Health.
Human vitality begins to wane at 40, which is about the fifth age of life. People around the age of 40 are dropping out of life because they neglect to keep the human vital spark in full flame.
Most people begin to slip around the age of 40—waste poisons, impure blood, clogged intestines and bowels, sluggish liver, inactive kidneys all tend to drag you down and make the remaining years of life one of misery.
One of the greatest remedies to assist nature to relieve the system of the waste poisons is Bulgarian Herb Tea—just one or two cups of this pure, medicinal tea taken once or twice a week will prove to be wonderfully healthful. Millions are now using this marvelous remedy to keep the bowels regular and promote good health.
To break up bad colds which, when neglected, often develop into influenza or pneumonia, a cupful of Bulgarian Herb Tea taken hot at bedtime gives splendid results. Its gentle laxative qualities aid nature to relieve constipation, indigestion, biliousness, stomach and bowel troubles.
Just make up your mind to keep well and strong by using this pure medicinal tea at least once each week. Just watch your health improve. You will never want to be without it. See your druggist today. He can honestly recommend Bulgarian Herb Tea.

DR. EAGLE RETURNS TO HIS WORK HERE

U. S. VETERINARY HAS BEEN STARTING WORK IN ATCHISON CO

GOOD WORK DONE HERE

In Independence Township Ninety-six Per Cent of Cattle Have Been Tuberculin Tested

Dr. T. J. Eagle, U. S. Veterinary inspector, who has been in Atchison County for the past two weeks has returned to Nodaway County where he has begun the work of retesting herds which previously had infection and removing infected animals. In Atchison County, Dr. Eagle made preparation to take up the cattle testing work and instructed as to the organization plans necessary to preceed the work. The organization plan will be similar to that done here. The Farm Bureau and county agent are planning the organization work.

Monday, Dr. Eagle tested in the vicinity between Hopkins and Sheridan. He is testing purebred herds that expect to be placed on the government accredited list and this work will continue throughout the year. Within the next two weeks he expects to continue in Jackson Township until completed.

On Tuesday Dr. Eagle addressed the regular business meeting of the Farmers Exchange at Sheridan on his work in Indeepndence Township. Ninety-six percent of the herds have been tested in this township, and especially high percentage. The work down there is commendable and great credit is due Guy Cooper and his assistants in the perfection of their organization work.

Saturday, the Ravenwood Farmers Exchange will meet to elect officers. At this meeting Dr. C. P. Fryer, county health officer and Dr. Eagle will address the meeting on different phases of their work and plans will be made for the organization of cattle testing in Jackson Township. Dr. Eagle plans to have several special meetings for purebred breeders who are working to be placed on the list with accredited herds.

One of the gay and cynical Maryville bachelors observed to us the other day that an engagement was an option while marriage was the fulfilled contract.

NERVOUS WOMAN COMPLETE WRECK

Tells How She Was Made Well by Lydia E. Pinkham's Vegetable Compound

Indianapolis, Indiana.—"Now I want to tell you just what induced me to take your medicine. It seemed that I had some kind of weakness so that I could not carry a child its full time. The last time I was troubled this way I had a nervous breakdown and was a complete wreck. The doctor thought I would not live, and if I did that I would never be well and strong again. But I told them I was going to get well, that I was not going to die just then. My husband got me Lydia E. Pinkham's Vegetable Compound and I took six bottles of it. I soon got strong again and had three more children. I have recommended the Vegetable Compound ever since, and if you could see me now you would think I had always been well."—Mrs. MARY F. HERRICK, 234 Detroit St., Indianapolis, Ind.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers and should be taken during the entire period. It has a general effect to strengthen and tone up the entire reproductive system, so that it may work in every respect effectually as nature intends.

CITY CASES WILL BE TRIED IN COURT

MOTION TO QUASH COMPLAINTS OF CITY WAS OVERRULED

SAY COMPLAINTS FAULTY

But Court Held Otherwise—Cases Are Scheduled for Trial Tomorrow

Motion to quash the complaint of the City of Maryville against Grover Hatcher and also in the complaint of the city against Clyde Horn, both cases being appealed to the circuit court, was overruled by Judge Dawson this morning. A similar motion to quash in the case of the city against Dr. K. R. Malotte, Henderson Aley, et al, was also overruled by Judge Dawson.

The motion to quash these complaints was based on the grounds that the complaints were faulty as they were made out under the provisions of the statutes of cities of the fourth class and when Maryville adopted the commission form of government the provisions of a third class city became operative. For a city of a third class it provides complaints should have inserted "against the peace and dignity of the city" and this clause was not included in any of the complaints made by the city in these cases.

In the Hatcher and Horn cases, it was also contended the complaints charged two counts in one charge, transportation and possession of intoxicating liquor. It was argued by the attorneys for the defendants that there should be two separate charges instead of combining the two counts in one charge. The court also overruled this contention.

The Hatcher and Horn cases as well as the case against Malotte, Aley, et al, are on tomorrow's docket in circuit court. It was thought today these cases will not be tried at this time. Hatcher is in jail at Savannah on a charge of larceny and it will be necessary for the sheriff or one of the deputies of Andrew County to escort him to Maryville.

During the arguments of the attorneys for the defendants several shots were taken at Mayor Robinson. Mayor Robinson who was present in court and who is a member of the bar argued for the city as well as the city attorney, T. A. Cummins, and his partner L. C. Cook.

The petit jury is summoned for tomorrow and it is expected some of the cases on tomorrow's docket will be tried.

Other proceedings of court were:

Fidelity Trust Co., of St. Joseph vs C. C. Phillips, note, continued by agreement.

G. F. Gray and H. P. Gray vs. H. E. Bradley, note, defendants file motion for security of costs and file amended answer. Motion confessed.

W. B. Heryford vs. Frank Holt, attachment, defendant files plea in abatement. H. H. Mutz files interplea; Dale Bellows files interplea.

KANSAS CITY BANDITS SECURE $5,400 FROM TWO MESSENGERS

Kansas City, Jan. 18—Five motor car bandits held up two messengers of the Wilson and Company, packers and took $5,400 that the messengers were bringing from the bank. The bandits in an auto forced the machine of the messengers to the curb, and while two of them held pistols on the messengers the others seized the money sacks. The bandits escaped.

Another One on Maryville.

(Hopkins Journal).

A Maryville coal dealer adopted for his slogan this winter, "It's a Black Business But We Treat You White," printing same on his stationery. A customer, upon receiving his account recently for his supply of coal at the price of $12 per ton, inclosed his check in payment, and at the same time suggested that the dealer should change his motto to read: "It's a Dirty Business, But We Clean You Good."

S. T. C. LIBRARY ECONOMY CLASS CLASSIFIES BOLCKOW LIBRARY

The class in library economy at the State Teachers College motored to Bolckow yesterday morning and classified the books in the high school library of that town. The library contained about 500 volumes, most of which were suitable for high school work.

The class in library economy is taught by Miss Anna Dudley Gibbs and consists of Misses Helmers, Lowry, Cotton, Graves and Lewis M. Worth.

The trip to Bolckow was made in Mr. Worth's automobile.

CHICAGO WOMAN STABBED TO DEATH IN ANOTHER TRIANGLE

Chicago, Jan. 18—Mrs. Rebecca Barnett, 38, was stabbed to death last night at a south side flat and Mrs. Hazel Cook, 28, was arrested.

"That Barnett woman has been playing around with my husband," the arrested woman is said to have told the police. She was stabbed three times in the midst of a party.

The sale of tickets for the high school basketball season began this morning. The tickets are good for three games and will cost one dollar. The first game will be between Maryville and Benton on Friday evening. The next three games will also be in Maryville.

NO CLASSES AT HIGH SCHOOL UNTIL NEXT TUESDAY MORNING

It was announced at the High School today that there would be no more school until Tuesday morning. The teachers will spend this afternoon in checking up on grades. The seniors will enroll on Friday morning, the juniors will enroll Friday afternoon, the sophomores will enroll Monday morning, and the Freshmen in the afternoon for the coming semester.
